Aspire Hybrid Flooring by
Preference Flooring
\$ 49.95/m² *Product only

Aspire Hybrid flooring represents next generation manufacturing techniques utilising the recently developed rigid composite core board. Aspire's 0.5 m wear layer and printed visual décor provides realistic timber textures and colours in both classic Australian timber species and a contemporary colour palette. This next generation Hybrid flooring is dimensionally stable, highly durable and suitable for interior waterproof installations providing instant appeal for modern housing, light commercial and retail shop fit out.
